bank doubles = stakes double

*BETFAIR, my commission 4% (depends on your turnover).

Sometimes bets will go unmatched & you will miss some winners but the key to profit is beating the SP.

If any inspection is called don't bet! when we don't bet! | Don't bet plodders around gaffs | be very wary of maiden races, none have shown winning form & others can improve lots.

22/03/2006 Put up FUJIN as an each way bet as it was forecast at 5/1 in a race with a few improvers, however it opened at 9/4! I put up 4/1 on Belfair but it went unmatched
05/04/2006 Grand National, not as race to put £200 on one horse so split stakes.
14/06/2006 Put up Adversity at Sandown in a decent handicap, I was looking to be match at 2s on Belfair but the best price was 2.42 & went of odds on & got beat!
27/08/2006 Put up Kaseab at Ascot but was best price odds on in the morning so No Bet, it did drift to evens but still too short
